PROGRAMMES *(Full-time only)*

- Diploma in Mechatronics Engineering 2.5 years *(included 6-month internship)*
- Diploma in Electrical and Electronic Engineering 2.5 years *(included 6-month internship)*
- Diploma in Computer Science 2 years *(included 3-month internship)*
- Diploma in Business Studies 2 years *(included an international trip)*

TERMS AND CONDITIONS

1. The Award scholarship is open for all Malaysian students below the age of 25, who are Sijil Pelajaran Malaysia (SPM) candidates in the year 2024/2025.
 2. The Award scholarship is applicable for the full-time undergraduate diploma programs offered by ViTrox College only.
 3. All applicants must submit their application form before the application deadline. Late and incomplete applications will not be considered.
 4. The Award scholarship comprises up to 65% tuition fee waiver on a semester-by-semester basis and is neither transferable to another candidate nor exchangeable for cash.
 5. The Award scholarship is only valid for the duration of the enrolled program and does not cover any extension of the program beyond its minimum duration.
- (For applicants with SPM Trial Results only)* To confirm and validate the final entitlement, the shortlisted applicants must submit actual SPM results to ViTrox College **within 14 days of release** thereof as proof of meeting the criteria, - failing which applicants may have their award put under review.
7. Recipients are still eligible for other ViTrox College financial aids, **except** Merit Scholarship.
 8. ViTrox College reserves the right to alter, add or delete any of the terms and conditions of the Scholarship scheme at any point in time as and when ViTrox College deems necessary.

Application Deadline

31 August 2025

VITROX COLLEGE

ABOUT OUR COLLEGE

We provides industry-centric, inspiring and inclusive education with a strong emphasis on an engaging and practical learning environment.

Our undergraduate programs' curriculum and courses are meticulously crafted in collaboration with the industries to ensure that our students receive an education that is tailored to meet the needs and demands of the contemporary job market.

STUDENT QUALITY

Our students exemplify the highest standards of academic and practical excellence by applying theoretical knowledge to real-world situations, demonstrating an impressive ability to bridge the gap between classroom learning and practical implementation.

We produce well-rounded and competent students who not only achieve academic success but also actively participate in extracurricular activities, embodying leadership, teamwork, and a commitment to continuous personal and professional growth.
